

Kennesaw is enthusiastic about welcoming new businesses to the City. As new business owners open their doors, our Mayor and city officials celebrate your new venture by rolling out the red ribbon and giant scissors and capturing the moment with a photo. We want to do everything possible to make your grand opening an enjoyable and momentous event.

If you are interested in holding a ribbon cutting ceremony to commemorate the grand opening of your new business, please contact Julia McPherson in the Economic Development department. Or complete and return the form below.
